

# Joshua Matlock

Fullstack Javascript Developer

## SUMMARY

Persevering and protean full-stack developer focused on forging products that amaze.

## WORK EXPERIENCE

### Software Engineer at 100devs, Fayetteville, AR

October 2022 — Present

- Collaborated with a team of developers to build modern and responsive web applications using best practices
- Built semantically structured full stack web applications
- Applied agile methodologies like SCRUM for project management

#### Recent Projects:

**SweetReads (Fullstack Web App)** – Users can log into their profile, select from a library of Chinese language stories, and favorite stories to save them to their dashboard

**Chitter (Fullstack Web App)** – Users will be able to log into their profile, practice identifying bird calls using a spaced-repetition flashcard system, and challenge other users to synchronous competitions.

**Next.js Blog** – A personal blog I have developed using the MERN stack with Next.js as a React framework

**Other Projects:**, NWA StarGazers Society APOD Web App with NASA API integration, On-demand background color changer for Partnered Twitch streamer, and many more

### Full Stack Web Developer at Matlock Tech | Elm Springs, AR

January 2023 — Present

Created full stack web applications and static websites for different clients across small and medium size businesses. Also, consulted on SEO and social media strategy. Some recent clients included:

Ozarks Dynacom - Branson, MO

Rausch Coleman - Northwest Arkansas

### Mandarin Teacher at Westdale Middle School | Baton Rouge, LA

August 2020 — May 2023

Designed curricular materials, drafted lesson plans, incorporated educational technology and implemented learning activities for classes of 10-30 middle school students. Also, contributed to various professional development meetings and led a breakout discussion at CLTA national conference.

## VOLUNTEERING

### CASA of Northwest Arkansas | Springdale, AR

August 2019 — August 2020

Served as a CASA advocate for children within the foster care system of Madison and Washington counties.
